Privacy policy

The protection of your personal data is of high importance to the **VHV** in particular the protection of your personality rights when processing and using these data. Hereinafter we inform you about the processing of personal data when using our website. Personal data are all data which refer to you personally such as the name, address, email address, user behaviour, etc.

The **VHV** strictly complies with statutory provisions when collecting, processing or using your data including, but not limited to, the provisions of the General Data Protection Regulation of the EU ("GDPR"). This privacy declaration applies to this website only and does not apply to any website to which this website provides a link. Because legal provisions in general change, we reserve the right to amend or modify this privacy declaration at any time.

In general, you will not be required to disclose your identity if you visit our website without registering. As is typical for websites, unless deactivated by you our server collects the following data automatically and saves it temporarily in the server log files transmitted by the browser :

- browser type and version;
- operating system of the requesting computer;
- file inquiry received from the requesting computer;
- http response code;
- referring URL, that is, the site visited last;
- IP address of the requesting computer; and
- time of the server inquiry

Server log files will not be analyzed for personal data.

In principle, you can visit our website without logging in. However, if you provide us with personal data including your name, address, e-mail address, or phone number by e-mail or through our website, you are doing so on a voluntary basis. The personal data collected will automatically be deleted when the storage is not necessary anymore or the processing will be restricted if we have to comply with statutory retention requirements.

However, we also may have to collect your personal data including the use of our Forum. Please note that you are free to provide us with personal data. If and when you do not submit the data required to use the forum, you will not be able to use the forum at all or only in part. We will not disclose any personal data you provide to us to any third parties without your express consent.
